

# RUN THE RISK OF WINNING

by Sven Humm

*"Sven Humm takes the listener on a journey with handmade music, deep into his mind and away from all the stress."*

Steffen Gerlach, JUKUZ Aschaffenburg

*"Boom! Sven Humm hits bulls eye with 'Run The Risk Of Winning'."*

*Humm easily transfers the sound of the praised 70s into present: He passionately confers his smokey voice to emotional lyrics while he outlines demanding subjects with swift fingers on his guitar. "*

Christoph Ruppel, FRIZZ Aschaffenburg

*"We are now more than ready to hit the floor and to touch your soul."*
