

The Redbook Project

Bring in what you got.

So began the development of an unusual but breathtaking sound, which The Redbook Project brings.

The 4 musicians with leader and singer MAXX captivate their audience with an honest, sometimes rough, sometimes soft sound which always keeps staying in motion.

The mixture of Soul, Pop, Jazz and Hip Hop has its very own character, given and shaped by each of the members MAXX, Bruno, Lukas and Aike.

Nun, nach fast über einem Jahr Arbeit, haben sie ihre Debüt-EP *Changing Shapes* am 03.11.2018 in der Panke in Wedding released, bei dem bei jedem der 6 Songs die ganze Tiefe eines jeden der 4 Musiker einfängt und gleichzeitig so universal geblieben ist, dass sich jeder in ihnen wieder finden kann.
