The stories that
Hillary Slaughter tells are about
the ups and downs of relationships
that people have with themselves,
of moments in which we
feel pain and about the trust in the power
to stand up again.

Through clear vocals and hard growls,
carried by atmospheric melodic arches and
walls of modern guitar sounds -
embedded in driven rhythm sections,
the band casts a spell over the audience.

Willow Slaughter

Patrick Schmidt - Guitars

Gunnar Tralau - Bass/Backingvocals

Sascha Brüggert - Guitars

Yves Teßmann - Drums/Samples

Hilke Baumgardt - Mainvocals
