

LIVE RIDER 2024

This rider consists of five pages Technical Rider and one page Hospitality/Catering Rider and is an inherent part of the contract. Deviations or changes to this rider have to be confirmed in writing. Please send back a countersigned version of this document. All personnel involved in the event must be provided with a copy (Caretaker, Technical Lead, Sound Engineer, Light Operator et cetera).

Contact & Booking: SIGN X GbR c/o OLIVER SCHEER

FOH

PA: A renowned system with enough headroom, performance-wise appropriate for the location and with sufficient sub-bass. No do-it-yourself systems, please.

FOH: Common digital console of contemporary standards with at least 24 channels and 16 outputs. M32, CL/QL5, SQ6, SC Vi No LS9, Si or similar.

Please make sure all equipment is properly lit and in perfect working condition!

SIGN X-FOH Sound Engineer must have complete access to all house EQ's and limiters.

Please provide a proper stool to work at console's height.

VERY IMPORTANT: PLEASE ADVISE IN ADVANCE IF THERE IS A MAXIMUM DB LIMIT DURING THE PERFORMANCE.

The FOH mix position should be located at the center about 2/3 of the distance from downstage to rear of the hall, but **not under any conditions under a balcony, on a balcony or at the back wall of the venue**. The FOH console must be set up at floor level unless agreed upon otherwise.

Staff: FOH/SYSTEM LOCAL ENGINEER who knows the installed system.

Stage & Monitoring

Monitoring: The main voice uses in-ear, drum fill and 2-way wedges for the other 3 musicians will be required. The in-ear systems will be brought by the band.

Stage: If the local conditions allow it, we need a drum riser 3m x 2m x 0.6m, a keyboard riser 2m x 2m x 0.6m and a way to hang our backdrop 6m x 4m.

Power / Electricity

Backline: Electricity for backline is required in all spots shown in the stage plot -> 230V/16A 50Hz

All measurements for the risers in this stage plot are in meters!

SIGN X - STAGE PLOT 2024

 = 230 V

- ★ Other options can be discussed, but PLEASE let us know in advance.
- ★ No broken or rotating stands. ALL stands have to be in perfect working conditions.

We will bring our full backline. The backline is not to be shared or used by anyone but SIGN X (unless discussed otherwise) and won't be moved from the beginning of the soundcheck until after the end of the show.

Guest list / free tickets / backstage passes

The band gets 10 free tickets, respectively there is a guest list available prior to the show. Furthermore, the band is allowed to invite external organizers, record label representatives, media partners and so on.

The guest list will be provided by the band or the tour manager.

The band requires 10 backstage passes at a minimum (on demand only) that allow full access.

Staff

The local promoter provides the following staff:

- 1 Production Manager
- 1 Lighting Engineer
- 1 Monitor Engineer
- 4 sober hands from get in to load out

Parking space

We need parking space next to the venue/stage entrance for:

- 2x Vans or passenger cars
- 1x Trailer (min. length 5m)

HOSPITALITY / CATERING RIDER 2024

Backstage / Wardrobe

Before and after the show, the band needs a well-lit room for their sole disposal. It has to be lockable and/or backed by security staff. A private toilet and shower would be more than welcome.

- Misc.:
- 1 well-lit mirror
 - 10 fresh and clean towels

Catering

Please discuss dinner time with our tour manager or band upon arrival.

At get-in:

- Fresh coffee, milk, soy milk and sugar
- Sandwiches, fresh fruit and vegetables, cheese and cold cuts, full grain bread (rye, sourdough, black bread)
- Candy/candybars and similar
- Sufficient amount of **cold** drinks (bottled water, local beer, Coke Zero)
- Alcohol free beer as well

DINNER:

- Warm meals for the entire travel party (no fast food, please!)
- 2 bottles of quality red wine (dry)
- Sufficient amount of **cold** drinks (bottled water, local beer, regular Coke, Coke Zero)
- Alcohol free beer as well
