

The Incredible Mole Rats – Fair and square

I've been waiting
For you straying
It was deflating
You did not come in

Give me a reason why I should stay here
It feels already like donkey's years
Oh no baby I won't shed a tear
Hey bartender gimme a mug of beer

I've been there
Fair and square
You've missed your chance
For great romance

*I won't wait for you my life long
Stranding in the rain from dusk till dawn
Yeah baby this party goes on
I'm not on my own from dusk till dawn*

*I won't wait for you my life long
Stranding in the rain from dusk till dawn
Yeah baby this party goes on
I'm not on my own from dusk till dawn*

I'll get me someone to fill in
I got an axe to grind
Out of sight, out of mind
Gonna get me a brand new sin
Yeah

I met a lady
She's into me
Sweet eye candy
We're having a spree

No you're not the one, the only one
There are other girls who wanna have fun
Don't you stand, don't you stand me up
Or I'll pick another chick, a first class slut

Went to her
This pussy purrs
We're haiving fun
And you non

*I won't wait for you my life long
Stranding in the rain from dusk till dawn
Yeah baby the party goes on
I'm not on my own from dusk till dawn*

The Incredible Mole Rats – Fast forward

No time to flog a dead horse
You go to enjoy life
You've got to play hardball
To live it your own style

*We go fast forward
With full force
We go fast forward
Without remorse
We go fast forward
Come on set your anger free
We go fast forward
Let's make some memories*

Without any dread
Hey hey let's take a risk
Drink some more hard liquor
Shout it out loud 'n raise your fist

It's time to go ballistic
It's time to go overboard
It's time to go postal
Unleash all what you hoard

*We go fast forward
With full force
We go fast forward
Without remorse
We go fast forward
Come on set your anger free
We go fast forward
Let's make some memories*

Destroy, destroy
My cognition tonight
Destroy, destroy
My cognition tonight

Take all your frustrations
To jettison 'em
Take all your misgiving
And leave it in the pit

It's time to go ballistic
It's time to go overboard
It's time to go postal
Unleash all what you hoard

The Incredible Mole Rats – Doesn't matter what comes

If you need me just give me a sign
And I'll be there without askin' why
Please feel every time absolutely free
To spill your guts on me

*There are things in life that pass your way (they run away)
But there're others believe me which will stay (stand by your side)
Doesn't matter what comes I promise now (even 'til hell)
I can be such a constant no matter how
I'll get it done*

When the chips are down you need to know
On who you can count I'd never blow
The whistle on you, you can confide in me
Yourself is all you need to be

*There are things in life that pass your way (they run away)
But there're others believe me which will stay (stand by your side)
Doesn't matter what comes I promise now (even 'til hell)
I can be such a constant no matter how
I'll get it done*

When I say to you
I'll be there for you
Take it for real
I'm not lying in this deal
You can count on me

I wanna settle this once and for all
There are good times
There are bad times
Trip down memory lane
In times of need
You can ease pain
No matter what you'll do in life
No matter where you go
There will always be a way
To stay on your side

*There are things in life that pass your way (they run away)
But there're others believe me which will stay (stand by your side)
Doesn't matter what comes I promise now (even 'til hell)
I can be such a constant no matter how
I'll get it done*

When I say to you
I'll be there for you
Take it for real
I'm not lying in this deal
You can confide in me
Hm, I'll get it done

The Incredible Mole Rats – Devil of the week

I've seen cheating you on your girlfriend
How can you go on to pretend
To you she's misspend

Stop telling me about your great life
Now I saw you cheating on your wife
I'm sick and tired of your lies

*Hey, I got Dutch courage
Hey, I fly into a rage*

*Sick Freak
You've got a cruel streak
Congratulations
You're the devil of the week*

A friend in need is a friend indeed
But close friends can become close enemies
Even if my heart bleeds

You've always been such a sneak
I won't help you if you're up shitcreek
I'm out of patience

*Hey, you're such a sage
Hey, you're all the rage*

*Sick Freak

Congratulations
You're the devil of the week*

*Hey, I got Dutch courage
Hey, you're all the rage*

*Sick Freak
You've got a cruel streak
Congratulations
You're the devil of the week*

*Devil of the week
Devil of the week*

The Incredible Mole Rats - Prick

Get back in your hole
Go back to where you came from
Get back in your hole

What's up little dipshit
When I see your face
I know now where my fist would fit
I'll hit you with my human mace

*And what I submit
You should go down apace
Before you even try, just quit
Or you gonna die by my grace
No matter how hard you try
I am the tougher guy
No matter how hard you try
I am the tougher guy*

Get back in your hole
Go back to where you came from

Hey you little jerk
This bar is not big enough for us
I go berserk
In this words you'd better trust

*Maybe it's only a quirk
Nothing left to discuss
There's no way for you to shirk
I fucking hate your guts
No matter how hard you try
I am the tougher guy
No matter how hard you try
I am the tougher guy*

Get back in your hole
Little motherfucker
Dump ass, dick sucker
Yeah yeah yeah

*No matter how hard you try
I am the tougher guy
No matter how hard you try
I am the tougher guy
No matter how hard you try
I am the tougher guy
No matter how hard you try
I am the tougher guy*

Fuck off, you prick
