Sound engineer:

Regarding technical issues, please contact our sound engineer, Oliver Deiss.

Sound engineer: Oliver Deiss
 Mobile: +41 (0) 76 327 87 75
 E-Mail: technik@themusicmonkeys.com

Monitors:

We need 4 monitors over 4 separate aux channels according to the stage plan and following chart:

Aux 1	Monitor 1	Horns	Trumpet, Trombone, Saxophone, Vocal Horns
Aux 2	Monitor 2	Oli	Lead Vocal, el. Guitar, ac. Guitar,
Aux 3	Monitor 3	Päscu	Bass Kick, Saxophone
Aux 4	Monitor 4	Dömu	Drums, Bass Mix
Aux 5	Effects	Reverb	Vocals, Horns
Aux 6	Effects	Delay	Lead Vocal, Drums, Horns

Power:

The power lines on stage (230 V) must be separated to the lighting stuff, sufficiently fused. Plugs we need according to the stage plan.

Equipment:

Laney LC30 (30W Tube) Combo 1x12" Speaker	Guitar Amp	Oli	>> Manual
Markbass Little Mark Tube (500W)	Bass Amp (Top)	Päscu	>> Manual
Markbass CLUB 600F32 2x12"	Bass Speaker		
Tech21 Para Driver DI	DI-Box	Oli	>> Manual
SCS Drumset: Bassdrum 22" Tom 12", 18" Snare 14" Crash 14", 16" Hi Hat 14"	Drums	Dömu	

Backline:

If there is a part of the backline please tell us as soon as possible with all the information about the equipment. If it's possible we'll use the existing back-line.

Merchandise:

There must be a place near the audience with a table, a chair and a spotlight for our merchandise.

Hospitalization Crew:

We come with 7 people (6 musicians, 1 sound engineer).

Catering:

We need a warm meal, preferred after sound check, for the whole band including staff.

Parking:

We need a parking lot for our tour van (5.5 x 2.5 meters) which should be as close as possible to the venue.

Accommodation:

If the venue more than 3 hours away from our hometown (Zofingen), we need an accommodation for all 7 crew members.
