Biography

Where Swing meets Metal!

Shoo Bee Doom are a Leipzig based band fronted by vocalist Eden fusing the swinging sound of the roaring 1920s with modern metal riffs.

Their mix of heavy brass, downtuned guitars and a pounding bass drum keeps things light and sweeps the crowd to their feet.

2025 saw the releases of the singles "Take the wheel" and "Cycle of a Psycho" as well as the participation in the Wacken Metal Battle Germany, where they advanced to the semifinals.

The band is now working hard on their first full-length album and the accompanying "Dance with the Devil" Tour in early 2026.

"Shooby dooby doo wah, Badum Badum ... Ja, das geht alles schon in die richtige Richtung. Aber so lautet die wirkliche Zauberformel: Shoo Bee Doom. Mit ihr rührt die zugehörige Band einen famosen Mix aus Swing und Metal an, akzentuiert durch je eigenartigen Senf, den die Musikusse in feinster Abstimmung hinzugeben. – Ein Festmahl."
