1 monitor each is also fine, thanks.

If there is a full 88-key keyboard and a bass amp at the venue then we would like to use those, please.

If not we can bring our own.

## **GRANDIOS SENSIBEL - HOSPITALITY RIDER**

A few snacks on arrival would be great (eg. chips, chocolate, fruit).

Beer in brown bottles and water to drink would be great.

A hot meal (preferred) or 15€ buy-out per person before the show would be fantastic.

Our only diva demands are no spicy food (Melissa) and absolutely no cucumber, for it is the spawn of Satan (Josh).

Thanks for having us!
