Bandrider

Band & Crew

- band and crew consists of five musicians and usually one band manager and one roadie
Sometimes we travel with additional photographers and/or a merchandise crew.
- we are **2x** vegetarians, However we eat almost everything, **except rice**
- please contact us at the day before the show.

Backstage

- we prefer a safe, clean, quiet, smoker-friendly backstage area, some water /sweet beverages and if available, some snacks, cold local beers, coffee machine, will be very appreciated

Light, Banner

- moving lights and color modes are always welcome 😊
- we bring 1x NOVOID banner, 1.5m x 3.0m wide, textile coated, to be hung up
- stage backdrop lights if available (otherwise backdrop banner)
- we don't use video/projections and stuff

PA / Monitoring

- well sized PA – the bigger the better, so your audience can enjoy to rock with us
- a house engineer (who is familiar with the PA) to be available before and during the show
- five different monitor channels if possible
- if available, sidefills

Drum Riser

- If available, at least 2.0m wide, 2.0m long

Contacts/Communication

- we will share our mobile number to be reachable at any time, before and during the event
- please share your contact phone number and the contact phone number of your house engineer to be reachable, before, during and after the event

Let There Be Solid Rock! 😊
