

## **The Fall – Vampyrice**

**Music:** Alejandro Cabrera Cuevas

**Text:** Cristina Grijalva

Slowly came the wind, clouded the days  
Mistakes from the past came in the way  
Weak and unable to go on  
I just wanted to let go

Let me fall and close the eyes  
Escape this nothing of my life  
Let me fall and close the eyes  
Between the lines of destiny

Crying for some silence  
The thought of giving up  
And the pain of the fear coming back  
To linger in the weakness

Let me fall and close the eyes  
Escape this nothing of my life  
Let me fall and close the eyes  
Between the lines of destiny

Let me fall, let me fall, let me fall, let me fall

I already see me rising  
Stepping on these stones  
Tomorrow I won't be here lying  
But now just want to let go

And I fall, and I fall, and I fall; now I fall

Let me fall and close the eyes  
Escape this nothing of my life  
Let me fall and close the eyes  
Between the lines, between the lies  
Let me fall and close the eyes  
Escape this nothing of my life  
Let me fall and close the eyes  
Between the lies of destiny
