**SHORT**

THE COLOSSUS IS AWAKENING AND LEAVES ITS COUSIN FROM RHODES IN AWE! ARMED WITH THE FULL-LENGTH ALBUM IMMORTALITY THE METAL-BAND AN ACT OF GRACE FIRES VOLLEY AFTER VOLLEY OF GUITAR-RIFFS AND BLAST BEATS INTO THE LISTENER! MEANWHILE HE IS CARRIED INTO THE HEART OF BATTLE BETWEEN THE IMMORTALS ON THE BACK OF THIS COLOSSUS. EPICAL AND CONTROLLED-AGGRESSIVE THE NEW ALBUM STOMPS RELENTLESSLY TOWARDS THE METAL-OLYMPUS.

**BIOGRAPHY**

Since 2009 exists the Metal-Band An Act of Grace from Stuttgart (Germany). The current Line-Up: Janick Neundorf (Drums), Sebastian Weibrecht (Guitar), Julian Dübgen (Guitar), Jonas Weinz (Bass) and Christian Schichl (Vocals).

From the beginning the band wanted to play their own music. Soon the songwriting-process became fertile and the EP SEVEN came into existence which was released in October 2011. Immediately with the release the band started to play live and gain experience on

stage. The focus laid on a convincing live-performance. The participation at the nationwide competition "PLAY LIVE" in 2011 was a big success and the band came in at the 2ND PLACE in the segment "Hard&Heavy" and earned the price for crowd-favorite.

Since October 2011 An Act of Grace played on many stages with many local and international bands. An Act of Grace played as support among others with: WHILE SHE SLEEPS, A TRAITOR LIKE JUDAS and SEPULTURA. Additionally they had the opportunity

to play with PARKWAY DRIVE, DILLINGER ESCAPE PLAN and VEIL OF MAYA among others.

In November 2013 the next concept-album IMMORTALITY will follow. This full-length album will expand their song-range a lot. Musically An Act of Grace combines a wide spectrum skillfully into an own mixture. The combination of melodic and forceful melodies with lyrical concepts and an experienced live-performance sets An Act of Grace apart from other Metal-bands.
