TOTMANN - DARK METAL BAND

BIOGRAPHY

Totmann, hailing from Reichelsheim (Hesse, Germany), have been crafting a distinctive blend of dark metal, morbid aesthetics, and melodic heaviness since 2019. Following their debut album Dead Days (2020), the band presents their second full-length release, Unendlich (2025), shaped by influences such as Sentenced, Crematory, and Eisregen. Emerging from a studio-based project, Totmann are now preparing for their first live performances, accompanied by new releases and music videos scheduled for 2026.

REVIEWS

"IT'S GROTESQUE, THEATRICAL, AND IRRESISTIBLY METAL. TRUST US, THIS IS NO REGULAR STROLL THROUGH THE GRAVEYARD, IT'S AN INVITATION TO LIVE (AND DIE) LOUDER." (SLASH MUSIC CANADA 2025)
