

TECH-RIDER

CORBIAN

FOREWORD

This is a list of the technical requirements, which may sound somewhat formal. However, it is by no means our intention to overstretch or annoy you in any way.

This document was created with the request for an **optimal** Show.

If there are any questions or if there are any problems with the following listings, please do not hesitate to contact us so we can find a solution together.

CONTENT

1. Foreword, stage setup and Requirements
2. Sound and Miking
3. Equipment

STAGE SETUP

- Drums
- Bass
- Vocals (3x)
- Guitars (2x)

REQUIREMENTS

- 1 PA
- 1 Mixer
- 5 Monitors
- 1 Monitormix (6,3mm or mini plug)
- Stage Lightning
- Mics for Guitar, Drum and Bass (more bel

MIKING

| INSTRUMENT | Guitar | Bass | Vocals | |
|-------------|-------------------|--------------------------|--|------------------------|
| MICROPHONE | 2 pieces, dynamic | DI Out/1 Stück | 2 pieces, dynamic 1 piece Wireless, dynamic | |
| AVAILABLE ? | yes | no | yes | |
| MICSTAND ? | yes | Only if mic is available | yes | |
| DRUMS | Kick | Snare | Overheads | Toms |
| MIKROFON | Will be triggered | 1 Stück, Dynamisch | 1-2 Stück, | 3- Stück, Dynamisch |
| AVAILABLE ? | yes | no | no | no |
| MICSTAND ? | no | yes | yes | If needed |

SOUND

- For the drum sound, we prefer a dry sound with a little bit of reverb on the toms.
- For the backing vocals (Aron, Julian) we would like a little compression as well as reverb.
- The main Vocals (Nils) needs compression as well as a short reverb and delay.

EMPLOYEES

A qualified sound technician, stage technician and lighting technician is needed.

SOUNDCHECK

If possible, the band needs at least 15-20 minutes of build up and a 15-20 minutes Soundcheck.
