

TECH RIDER

1. We usually needed: all synthesizers are mixed on the stage by us with a separate console, means you receive only a stereo master.
For saxophone, guitar vocals and possibly drum set we need the acceptances of you.
If you do not have that, you'll get a stereo sum of all instruments from our stage desk.
2. We need two or more Monitor boxes.
3. For synthesizers and other instruments an area of approx. 15 sqm is required (ideal), but also with less space.
4. We bring (if necessary): own spots, 2 Moonflower, 6 floodlights, 2 scanners, 4 beamers
5. We bring (if necessary): A fog machine 700 W
6. We bring: (if necessary): For computer animations a Beamer 7. We always bring with you: Di boxes Unsym/sym
8. We bring: (if necessary): a PA with 2000 W for sounding of 400sqm or 500 persons, also suitable for open air
9. If appropriate stage set is provided on site :)
