DARKBLOOM

female fronted post-hardcore

münster // germany

From darkness, new life emerges: **Darkbloom** merges raw energy with emotional depth, crafting music that is felt as much as it is heard. Their songs **dive deep into mental health**, building a bridge between sonic intensity and honest vulnerability. **Loud, powerful, unapologetic**—that's **Darkbloom**.

BIO

What once began as Kings&Hurricanes evolved in 2025 into something raw and powerful: **Darkbloom**. Forged through years of performing in clubs and festivals, the band delivers not just intensity, but **deep emotional storytelling**.

Their name says it all – from darkness, new life emerges. Darkbloom blends raw energy with **heartfelt depth**, creating music that isn't just heard, but truly felt. Every song is a journey through the highs and lows of mental health—**loud, honest, and uncompromising**.

The band stays true to its vision: music should not only entertain, but inspire change. A Darkbloom live show is more than a performance—it's **a pulse, a shared moment**, a place where listeners find echoes of their own struggles and triumphs.

02 MUSIC

DRAINED (17.01.25 - > 40K STREAMS)

Drained captures the exhaustion of keeping up appearances—smiling through the pain, pretending to be fine while silently struggling. Darkbloom turns this quiet battle into a powerful, raw anthem for those who feel trapped in the facade.

LAST ROUND (11.04.25 - > 10K STREAMS)

Last Round captures the brutal emotional toll of manipulative relationships—the constant struggle, the feeling of being caught in an endless fight. With raw intensity, Darkbloom turns this battle into a defiant anthem, reminding listeners that they have the strength to stand their ground and refuse to be broken.
