SONICDYNAMITE

2025

EXPLODING LIKE ROCKIN' DYNAMITE

BIO

Sonic Dynamite is a five-piece metal band from Saarland, Germany. Melodic Heavy Metal with killer riffs, catchy hooklines and a lot of guitar soli. Their influences are bands like Iron Maiden, Judas Priest, Helloween and HammerFall. In 2017 the band released their first EP "We Are The Universe" and finally the band confirmed their debut LP "Another World" which was released in December 2022.
