## Bio

Ingenious hooks, distinctive guitar riffs and a versatile **female voice** that masters everything from **powerful extreme vocals** to **clear singing**, **Bad Marilyn** is a metal band to remember.

With a **powerful stage show** and a load of highly motivated musicians, this band is the latest must-see act. Full of energy, **Bad Marilyn**'s music will take you into a magic metal realm, make you forget the stress of everyday life and deliver nothing but good vibes and powerful moments.

With their debut album "**Eye of the Snake**" a hook loaded power package is unleashed upon the metal world. Produced and recorded by **Dennis Ward** (Pink Cream 69 & Helloween), the album contains 11 pure power songs that will make the heart of every metal fan beat faster.
