NEODYM TECHNICAL RIDER 2023

- **We have a mixing desk (X32 Compact) at our disposal.** We kindly ask to provide a CAT5e digital snake (maximum length- 80m) from FOH to the stage. Please contact our Sound Engineer (Mikolaj) at least a week before the event to talk the details, WhatsApp: +48 724 306 037 mail: mikolajkryszak11@gmail.com
- **The band performs using the IEM system.** Please provide a properly configured three IEM system, ideally one of the following: Sennheiser IEM EW 300 G3/G4, Shure PSM 900 or higher.
- The band consists of **Neodym (**vocal), **Matt** (keys), **Adam** (drums) **Mikołaj** (Sound Engineer)
- Band's rehearsal takes approx. 1 hour
- Monitors are done from FOH console.
- On FOH please leave room for X32 compact and laptop.
