BIOGRAPHY

Among Traitors is a metalcore band from Germany that was founded in 2018. It consists of Christian and Anja on guitars, Kai on bass guitar and Flo as vocalist.

The band has developed its sound by combining classic metalcore and melodic hardcore. This is characterized by energetic guitar riffs, hard breakdowns and rousing melodies. Flo, the band's vocalist, gives their music an unmistakable style with his powerful and emotionally charged voice.

Since 2021, Among Traitors have been shaking up the local metal scene with their live shows and growing repertoire of singles. The band appreciates the support they have received so far and look forward to continuing their musical journey.

QUOTES

"There's no standing still with Among Traitors, neither on stage nor when it comes to songwriting. In addition to Prison, Out Of Time, Circles and my absolut favorite track Never Again, they also brought a new song with them."

- Heike von sylb.eu
31.05.2024

"Between hardcore, punk, deathcore and metalcore, Among Traitors presented their own interpretation of the three musical genres, which they emphasized with songs like "Prison"."

- starlight.rocks
01.07.2023

"I was completely taken by the single from the very first moment, as it is simply not boring at all. With a good sound that stay in your head, I definitely have nothing but praise for it. A very successful single with incredibly strong lyrics!"

- Adriane von rocklounge-magazin.de
06.10.2023

"Get ready to mosh as German metalcore band Among Traitors return with there brand new track "It's up to us" which will have you singing at the top of your lungs with those fists in the air as you let the music consume you."

- Thushara von darkusmagazine.com
