

Luna Heart

Singer | Songwriter | Pop Rock | Emotional Ballads | Storytelling

Press | Radio | Promotion | Short Profile

Short Profile

Luna Heart is a singer and songwriter with a sound between pop rock, emotional ballads and modern storytelling. Her songs connect personal turning points with themes such as hope, inner strength, love and new beginnings.

Her artistic background ranges from early stage performances to musical productions such as Evita, Cabaret and Im weissen Roessl. She also gained live experience in several band projects, including The Dreamgirls Band and as lead singer of CRISP Hamburg. Her performances have taken her to Prague, England, Valencia and Crete.

Today Luna Heart lives in the Netherlands and remains closely connected to Germany musically. Her music stands for emotional melodies, positive messages and songs with relatable stories.

With songs such as Happy Endings, A Little Light, We Are Alive, Neues Leben and Lights of Hope, Luna Heart shows a clear range: melodic, emotional, positive and professionally positioned for radio, press and digital music formats.

Profile

Pop rock with emotional depth, melodic storytelling and a clear sense of hope.

Current Focus: Happy Endings

Happy Endings is an emotional pop song about hope, love and the belief that dreams can come true. The track combines a romantic atmosphere with a positive message and is suitable for pop radio, web radio, request shows, emotional music slots, newcomer formats and international playlists.
