

Female-fronted Pop Punk – that’s what THE JOURNEY BACK stands for. Starting in 2025, the band will present itself in a new light, embarking on a fresh path with a clear vision for the future.

After their debut album "Changes", their own tour, and various festival shows across Germany, the group has decided to take a new direction. From 2025, the band, now featuring their new lead singer Anna, will take the stage as a five-piece, reinventing themselves completely.

Fans can look forward to catchy choruses, energetic riffs, and powerful breakdowns – a mix reminiscent of the early 2000s but with a modern sound and female vocals giving it a unique touch.

If you love bands like Paramore, Sum 41, or Neck Deep, THE JOURNEY BACK will not disappoint. The band stays true to its roots, combining the best of the past with a contemporary twist. With their new lineup and unmistakable sound, THE JOURNEY BACK promises a fresh start that will make pop-punk fans' hearts race.
