7 large clean towels

5 small towels for use on stage

Bottles of water, beers and juices, wine, sandwiches or cold or salty snack kit are welcome. No restrictions.

Food on tour:

Meats, fish, chicken, sandwiches, salads and fruits are welcome.

One of the team members is allergic to crustaceans.

Please consider that we might have been on tour for a few weeks already at the time of the concert. Fresh, healthy food will go a long way and help us stay healthy and full of energy for the concerts.

Accommodation:

The band needs accommodation for 7 people, without restrictions, as long as they are comfortable and provide breakfast. Single, double, triple rooms do not matter as long as you have comfort for a good rest.
