

Wait! – Vampyrice

Music: Alejandro Cabrera Cuevas

Text: Cristina Grijalva, Alejandro Cabrera Cuevas

Look into your eyes I can see you crying
Feel your heart talking to mine
Look into my eyes can you see me dying
Trapped between your heart and mine

Look into your mind are you still denying
No one can be that blind
Look into my mind you'll see I'm not lying
You're just not one of my kind

(Wait!) Don't run away from me
(Hate!) You can't escape this feeling
(Wait!) You are allowed to hate and scream

Looking back at times I can't help but wonder
How it would have been like
Looking to the sides no one there but the hunger
Of your presence near to mine

Looking through the pride you are blind no longer
You see I'm nowhere to find
Looking up in spite of the past we go further
Disguise the pain of this goodbye

(Wait!) Don't run away from me
(Hate!) You can't escape this feeling
(Wait!) You are allowed to hate and scream

(Stop!) Don't run away from this
(No!) You can't restrain the bleeding
(Stop!) We don't forget so easily
