

## GODZILLA IN THE KITCHEN - Technical Rider

The band Godzilla In The Kitchen consists of three members, Eric Patzschke (electric guitar), Simon Ulm (bass) and Felix Rambach (drums). The stage needs a minimum size of 3,5 x 3,0 m. We bring our own backline including instruments (+ drum carpet), amps, speakers and, if needed, a pair of Rode NT5 condensers. We don't bring any other monitoring, PA or recording equipment. We need one speaking microphone plus stand in the front for announcements.

### SETUP

Drums	Guitar	Bass
12" Snare Drum	(see down below)	(see down below)
22" Bass Drum (with reso hole)		
08" Tom		
10" Tom		
12" Tom		
14" Floor Tom		
16" Floor Tom		
Hi-Hat		
3x Crash Cymbal		
Ride Cymbal		
2x China Cymbal		
Splash Cymbal		
5x Bell Cymbal		

### STAGE

**Godzilla In The Kitchen****Mail** [godzillainthekitchen@gmail.com](mailto:godzillainthekitchen@gmail.com)**Mobile** 01577 – 5213376

Bass:

The bass rig consists of the following units:

Unit	Properties
Darkglass Amplifier	230 V, 500 W, incl. DI-Out (XLR)
Ampeg 810 Cab	8 x 10 inch speakers. (Optimally miced)
Effect pedal board	230 V

Optimally, the DI-Signal from the Darkglass should be combined with a mic signal from the Ampeg 810 cab.

In total, the Bass-rig requires 1-2 wallsockets 230 V. Position wise, the bass should be positioned to the stage right of the drums, turned inwards towards the drum kit.

Guitar

The Guitar rig consists of the following units:

Unit	Properties
Marshall Amplifier JVM 210H	230 V, 100 W, incl. DI-Out (XLR)
Marshall Box	4 x 12 inch speakers. (Optimally miced)
Effect pedal board	230 V

Mic Signal infront of the Marshall box

In total, the Guitar Rig requires 2 wallsockets 230 V. Position wise, the Guitar should be positioned to the stage left of the drums, turned outwards towards the drum kit.
