

better to go

1.

I close my eyes, and I see your face
But when I open there's nothing left,
Just a spray painting on a gym wall.
Our love is hiding and won't come back
cause we, won't be strong enough to forget.

Chorus

**I never wanna see your face again
I won't come begging, for your love
Now I'm sure, it's better to go, better to go**

2.

I'd never say, I wasted time
I truly needed you
I was always true
I never thought I'll ever, leave you behind
but it's the only way to kill my pain

I will learn to love, again

Chorus

**I never wanna see your face again
I won't come begging, for your love
Now I'm sure my baby, it's better to go**

3.

I broke the chains of love
Cause I don't remember who I am
I know it was the right way
We'd never be the same

Chorus

**I never wanna see your face again
I won't come begging, for your love
Now I'm sure, it's better to go, better to go
I never wanna see your face again, I never wanna see your face again
better to go**
