

Agatha Shot

After some lineup changes and some silent periods, the ROCK-SENSATION from Germany/Bielefeld finally dares to present their interpretation of Metallized Rock to the outer world. The band consists of Kai (Vocals), Michael (Drums), Chris (Guitar, Backings), Simon (Bass). AGATHA SHOT know how to unite Sleaze Rock, Metal and Punk-elements with dark-melancholic Lyrics. They prove and proudly present their own unique and inimitable style, with which they are now going to show that rock is undead!
