

# HOUNDWOLF

---

HOUNDWOLF is a heavy metal band from Witten (Germany) which commits itself to the original, Rock'n'Roll-driven form of this genre. The primary focus is always on the energy, songwriting and authenticity.

The band released its first EP "Fast and Loose", produced by Mike Misar (Label: M71), on 6th October 2016. Their first full-length album "Beware of the Dog" (also produced by Mike Misar) was published on 24th November 2016. Currently the band is working on their next EP, which will be released in March 2018.

Houndwolf consist of the following band members: Milan Schloßmacher (Lead Vocals & Lead Guitars), Tobias Maienschein (Guitars & Backings), Daniel Teuchert (Bass & Backings) and Thomas Neuhaus (Drums). The age of the band members ranges from 24 to 28 years.

For years the band has managed to combine aggressive and fast riffs with groovy Hard Rock parts to create punching and still catchy songs. The songs include powerful Uptempo-Riffs, aggressive-easygoing Rock'n'Roll parts, memorable refrains and also merciless mosh parts, delivering everything a Hard'n'Heavy fan needs. However even softer passages and melodic hard rock ballads are part of the band's repertoire.

Despite its high versatility the music of HOUNDWOLF does not require any sound-samples or backing tracks and can be described as totally distinctive.

Houndwolf stands for genuine and true Heavy Metal with easy, recognizable roots in Hard Rock and always delivers one statement:

!!!! HAIL ROCK'N'ROLL !!!!!
