

MR LONELY

DANCEY, DREAMY, DIVERSE

ABOUT

Mr Lonely emerged in 2023 from a bittersweet, ironic chaos of bluesy guitars and jazzy brass, all wrapped in rock energy. Self-described as "Bluezz'n'roll," their sound fuses the grit of The Black Keys with the vintage flair of Nick Waterhouse and the musical sensitivity of Dave Matthews Band. Whether putting on their dancing shoes or turning dreamily reflective, the quintet thrives on a stylistic diversity that swings from soulful blues depths to jazz-inspired playfulness and a raw, rock-and-roll edge.

Their songs have played on German Radio Darmstadt, Plattenkeller and Rockradio.de as well as leading Polish stations Radio Kraków, Radio Lublin, Radio Nowy Świat and Radio 357. In the summer of 2023, the band won the main prize in a competition for upcoming artists in Krakow. Since then, they have focused on live performances and played over 40 concerts in Krakow, Warsaw, Katowice, Mannheim, Heidelberg, Wiesbaden, Marburg, Darmstadt, and Karlsruhe, among others. Their debut album has been released in partnership with Poland's leading blues magazine, "Twój Blues".

'Mr Lonely are like a well-oiled machine, only just gathering momentum, with their finest moments still ahead of them.'
