

THE REVERIES

TECHNICAL RIDER

Band Members:

1. 1 Vocalist/Bassist
2. 1 E-Guitarist/Backing Vocal
3. 1 Drummer/Backing Vocal
4. 1 Cameraman

Stage Plan:

Our Equipment:

Vocalist/Bassist:

- | | |
|---------------------------------|-------|
| 1. Microphone | 1 pcs |
| 2. 10m XLR Cable for Microphone | 1 pcs |
| 3. E-Bass | 1 pcs |
| 4. Bass Processor | 1 pcs |
| 5. 10m XLR Cable for Bass | 1 pcs |
| 6. Wireless Bass Adapter | 1 pcs |
| 7. DI Box | 1 pcs |

Guitarist:

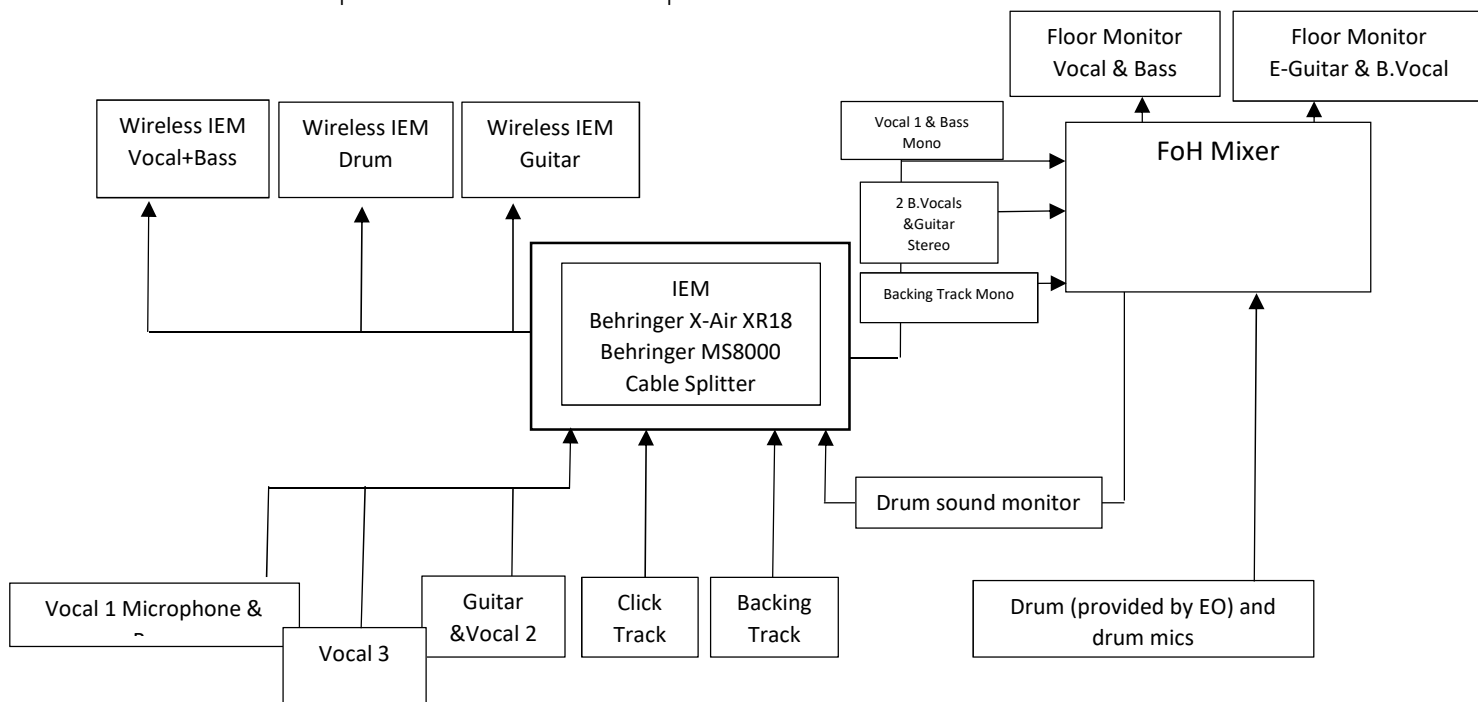

- | | |
|----------------------------|-------|
| 1. E-Guitar | 1 pcs |
| 2. Guitar Processor | 1 pcs |
| 3. 10m XLR Cable | 2 pcs |
| 4. Wireless Guitar Adapter | 1 pcs |
| 5. Microphone Wireless | 1 pcs |

Drummer (only if we bring our own E-Drum):

- | | |
|-----------------------------|-------|
| 1. E-Drum | |
| 2. 6m XLR Cable | 1 pcs |
| 3. DI Box | 2 pcs |
| 4. 10m TRS Instrument Cable | 1 pcs |
| 5. Hocker | 1 pcs |

Mixer & IEM Rack:

- | | |
|--------------------------------------|-------|
| 1. Behringer X-Air XR18 | 1 pcs |
| 2. TP Link Router | 1 pcs |
| 3. Behringer Ultralink MS8000 | 2 pcs |
| 4. Wireless IEM | 1 pcs |
| 5. 10m Cable Splitter to FoH and IEM | 1 pcs |

What we need:

1. Full kit drum which is provided from your team.
2. 3 Microphone and 3 microphone stand for the main vocal and 2 backing vocals.
3. Please give us also monitor for vocals, e-guitar sound, bass sound and our playback track sound on the floor monitor (wedges), it would be better for us for hybrid monitor system (In ear Monitor and floor monitor)
4. Please turn the volume/gain up for our playback/backing track channel and help to set it up so that it blends good with our instruments. All of our songs have playback tracks, which has violin, keyboard, and rhythm guitar sound for some song parts.
5. We have an Intro track before we play our first song. When our drummer get on the stage, please turn the volume or gain up of our playback/backing track channel, because our drummer will play the intro track.
6. We just need to connect our IEM rig with our 10m Splitter Cable to your FOH Mixer.
7. Please give access/place for our cameraman (can be discussed later)

If there are still some questions, please send us an email to: **thereveriesband@hotmail.com**. We would be very happy to help, so that the performance can go smoothly and give a great atmosphere to the guests.
