NEON AURA

BAND BIOGRAPHY

Meet Neonauro.

Neonauro's ensemble creates an immersive soundscape. Frontman Pascal commands the stage with his charismatic presence and impressive vocal range — already showcased on ProSieben's The Voice of Germany. On guitar, Fritz delivers powerful riffs and a distinctive sonic aesthetic, having toured Europe with a progressive rock theatre project and worked with producer Frank Bornemann (Guano Apes). On bass, Stefan Müller anchors the sound with over 3,000 live shows of his own. On drums, Peter Zell brings the polish of a professional drum educator (Drummer's Focus Munich) and a decade of stage experience across rock, pop and jazz. Together: atmospheric, powerful, unforgettable.
