RAGATAG

Rock´n´Ska

Show

Founded in 1996, RAGATAG is established as crazy-creative rock band ever seen, so the people say. This necessarily does not mean the artist went totally crazy or insane - NO! It was from the early beginning the kind of music, the way of composing and interlacing all the known different kinds of styles of modern Rock, Pop, Ska and Reggae to get it perfectly mixed into famous songs from the glamorous rock and reggae areas in the 70s to the 90s and in a lot of own compositions with only having the standard of instruments (drums, git, bass und voc). In the end the one and only racy and spacy RAGATAG Rock´n´Ska was born. Of course, the live show is explosively spectacular: shrill outfit, hard rockin´ musicians and FUN FUN FUN from the beginning to the end. You are invited to dance and scream and sing. The mission is (as they already stated on their second EP): RAGATAG wants you happy! Come and enjoy the band and a fist full of Rock´n´Ska!
