

LENIO

[Alternative / Germany]

LENIO is an alternative rock band, currently based in Mannheim and Leipzig, Germany. It started as a one-man-project with a first EP and the intention to find the right musicians in order to transform it into a band with firm members and professional ambitions. Apart from a singer, the line up is complete. We have all studied our instruments, producing and the business aspects of music-making. Now we are looking for a male native speaker (English) between the age of 20-29, who is interested in joining **LENIO**. The voice we have in mind, or let's say our vocal references include: Michael Lessard of The Contortionist or Tymon Kruidenier of Our Oceans, among many others. By now, our repertoire has been expanded to 15 songs, 10 of which are to be recorded as our first full length album soon. There are many more plans for the coming months we'd like to share with you.

If you're interested, please leave us a message.
