TECHNICAL RIDER 2/3

(Last Update January 2012)

Keyboard

Nord Electro 3 (*Mono, D.I. Box needed*)

Vocals

Main Vocal (Audix OM3, provided by the band)

Guitar Vocal (2nd Voice, needed)

Keyboard Vocal (Background-Shouts and 3rd Voice, needed)

Bass Vocal (Background-Shouts and 3rd Voice, needed)

PA

We are expecting an PA which can represent the complete band without distortion, adapted to the room size and the number of spectators, . If you don't have any appropriate PA we can organize one in mediation of the organizer and our preferred sound company.

Lights and Effects

Please use hazers or do not make much fog near the brass players.

Stageplan

We are flexible with the bass/keyboard and guitar/trumpet2 side, but this is our default setting.
