mail: booking@facingfears.de

required gear:

the listed products are just for orientation and define our preferences; Of course we will play the show with other comparable gear! If there should remain any questions or problems, feel free to contact us for the solution!

instrument	gear	note
drums		
bassdrum	1x Shure Beta 91 A	
snaredrum	1x Shure SM 57	
toms	3x Sennheiser E604	
hihats	1x Sennheiser E614	
overheads	2x Sennheiser E614	only for big shows required
sampler	2x D.I. box	alternate: stereo D.I. box
guitars	2x Shure SM 57	
bass	1x D.I. box	
vocals	4x Shure SM58	3x mic-stands

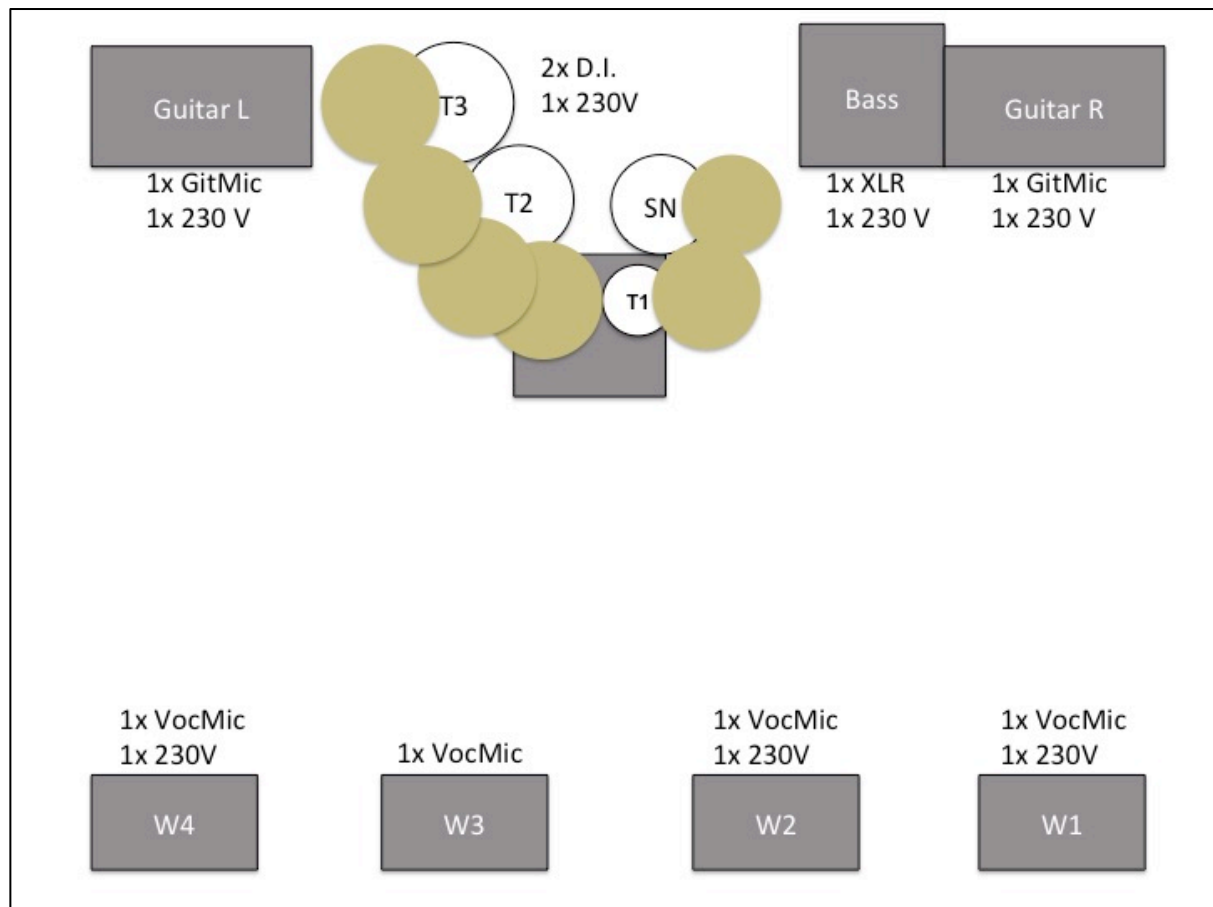

PA:

- speakers and poweramps which are powerful enough for the club or venue! Please avoid using selfmade PA systems - use professional gear!
- a sufficient FOH-mixing-console with enough channels and min. 2 AUX-ways for monitoring
- compressors and graphic EQs (if available)
- reverb / delay for vocals and drums (if available)

Monitoring:

- min. 2 separate ways for monitor mixing
- 2 - 4 wedges on frontstage
- monitoring for the drummer

Stageplan:

miscellaneous:

- a place where we are able to sell our merch (table and chairs or so...)
- a backstage for instruments and baggage
- Facing Fears is glad if you can serve us a meal and drinks for the evening to pass!
