

Lines – Techrider

Technical supervisor: Ramon Smith 017623781440, r4mon.smith@googlemail.com

What we will bring along:

Cables:

- All instrument & power supply cables for guitars, bass, effects & Sampler
- Speaker cables for guitar amps (1/4 Jack) and bass amp (1/4 Jack or XLR or Speakon)
- 1 XLR cable for the singer (taped to his mic)

Vocals:

- Shure SM58 (taped & raped)

Bass:

- Bass guitar & bass amp (Glockenklang Soul) with DI Out
- Wireless system

Guitars:

- Guitars, Guitar amps (Engl) and effect boards
- Wireless system

Drums:

- Snare drum & Stand
- Bass drum pedals
- Cymbals & Stands (including HiHat & HiHat stand)
- Sampler + DI

What we need to play:

- Front of House (PA, mixing board, FoH engineer)
- Mics & XLR cables for drums
- Mics & XLR cables for guitar cabs
- XLR cables for Sampler DI and bass DI
- Monitoring for Singer, if possible for all musicians

This is our standard setup, all items are discussable. Please don't hesitate to contact us for further information.
