

## Out of the Window – Vampyrca

Music: Alejandro Cabrera Cuevas

Text: Cristina Grijalva

I still remember your thoughts  
Coming out through your eyes  
Remember your hands  
Calling mine for a while

Look out the window, watch  
The moon whispering through the clouds  
Catch up the phrases, wipe tears up  
She only tells me we'll be fine

The One floating  
Among the shadows  
Promises broken  
Truth coming out

The sound of falling rain at night  
Washing memories out  
It's so long now and yet  
It hurts so much to forget

They say every ending  
Is a new beginning  
So from my pieces  
I emerge

The One floating  
Among the shadows  
Promises broken  
Truth coming out

Living a fantasy  
But it was all lies

The One floating  
Among the shadows  
Promises broken  
Truth coming out
