## BIOGRAPHY

FORMED IN 2008 FLYING GUILLOTINES BECAME A POWERFUL QUARTET THAT PLAYED THEIR OWN SOUND AND MUSIC SOMEWHERE BETWEEN RED FANG; BARONESS OR MASTODON. RECORDING VARIOUS EP'S IN THE PAST FEW YEARS AND OVERCOME CHANGES IN THE BANDS LINE UP DEFINED THEIR FINAL SOUND AND STYLE WHICH LEAD THEM TO THEIR FIRST LONG PLAYER „OLYMPUS“ WHICH WAS RELEASED ON DECEMBER 6th IN 2021. WITH SEVERAL GUEST APPEARANCES, STRONG LEAD VOCALS SHARED BETWEEN GUITARIST MARCUS ENGEL AND DRUMMER TAMINO KIRCHNER, HEAVY GNARLING RHYTHM BY BASSIST SEAN ELLEMAN AND PUNCHY GUITARS; THE BAND CREATED A UNIQUE SOUND STRONG ENOUGH TO KEEP THE CLASSIC METAL FANS AT BAY BUT ALSO TO MAKE THE AVERAGE LISTENER INTERESTED
