CLAIM HG

GREEN BRONTO - Records -

Claim HG hail from Holguin, Cuba. Four friends spearheading the Cuban metal scene for more than 15 years. Their style combines heavy, thrash and progessive elements. With more than 400 concerts throughout the island and participating in all rock festivals, Claim HG are currently considered one of the most relevant acts around. Several recognitions have been achieved such as the Venga la esperanza awards of the Hermanos Saiz Association among others.
Finally, they are bound to thrill a global audience with worldwide releases: The debut album "In Your Face" and the live album/video "Live at the Caligary Cabinet"
