Nasty Neighbours is a binational band based in Buenos Aires, Argentina, with their label home in Hamburg, Germany — Rookie Records. Since forming in March 2023, “Los Nasty” have played more than 80 shows across Argentina and Europe – from small punk clubs to festivals such as Fusion, Wilwarin and Breminale.

High-energy indie punk, surf and alternative rock: catchy, danceable, sometimes snotty, sometimes absurd, and always with a healthy dose of spooky vibes. Their horror universe is less doom and gloom than a lovingly twisted B-movie with a wink: vampires, witches, zombies and mummies meet songs about screens turning us all into zombies, reggaeton, ghost trains and, of course, caipirinha. Songs come in English, Spanish, German, French and Português.

Line-up: **Karina Kaos** (vocals/keyboard), **eMon** (guitar), **Lea Almendro** (bass) and **Ale Reggiani** (drums). After their first European tour in 2024 with 17 shows, Nasty Neighbours returned for another 14 dates in 2025, followed by a third European tour in 2026 with 24 shows across Germany, Switzerland, Austria, Belgium and the Czech Republic. The 2026 tour was presented by **Ox-Fanzine, ByteFM and Livegigs.de**. In 2027, Nasty Neighbours return to stages across the Northern Hemisphere with new songs from their upcoming album.

PRESS

Página/12 · Argentina

“Barely two years after their debut, Nasty Neighbours have become the new sensation of Buenos Aires’ punk scene.” Página/12 hears echoes of the psychobilly of **The B-52’s**, the sarcastic punk of **The Damned**, and the pub-rock attitude of **Amyl and the Sniffers**.

Ox-Fanzine · Germany

“Brightly coloured trash aesthetics meet catchy, riotous music.”
Ox-Fanzine presented the band’s European tours in 2025 and 2026.

Nepenthe Rock Press · Argentina

“Raw and visceral, yet with highly infectious pop hooks.”
Following the band’s show at Salón Pueyrredón, Nepenthe Rock Press described it as a **“mass of retro horror and danceable distortion.”**

Mangowave · International

“This beautiful horror show is performed with the easiness of rock’n’roll and surf rock, the snotty energy of punk rock, and the glittering elegance of glam rock.”
