

Satellite

1.

You fly around the space and see, the people as they live there lifes
You're like the eyes of god, you safe me,
from everything bad, you're the best i've ever had

Chorus

**So happy to have you today,
so happy to have you around all days
I loose myself in your eyes, you're my satellite**

2.

I am like your planet, you're always around me my lover
You're like the eyes of god, you safe me,
from everything bad, you're the best i've ever had

Chorus

**So happy to have you today,
so happy to have you around all days
I loose myself in your eyes, you're my satellite**

3.

Go and safe me, safe me
Go and save me, safe me again

Chorus

**So happy to have you today,
so happy to have you around all days
I loose myself in your eyes, you're my satellite**
