

Techrider Host of Nightmare

Output	Signal	Gear	Notes
1	Main Vocals	Shure SM58	
2	Guitar Vocals	Shure SM58	
3	Guitar		
4	Bass		
5	Backing Track L		We trigger them ourselves
6	Backing Track R		We trigger them ourselves
7	Kick Trigger		
8	Sub Drops		Triggers itself
9	Snare Bomb	Behringer	Triggers itself

Reasons why we take our own mics:

- Own effects (Vocal effects like Autotune, Reverb, Distortion)
- Simple distrubition of our tracks etc.

Monitoring

No wedges needed – all monitoring via IEM rack.

Power Requirements:

- Rack (three way socket)
- Drums (three way socket)
- Lights (4+ way socket)
