Profile

Pop Rock with emotional depth, personal storytelling and a clear perspective of hope.

Short Profile

Luna Heart is a singer and songwriter with a sound between Pop Rock, emotional ballads and modern storytelling. Her songs connect personal turning points with themes such as hope, inner strength and new beginnings.

Her artistic background ranges from early stage performances to musical productions such as *Evita*, *Cabaret* and *Im weissen Roeschl*. She also gained live experience in several band projects, including *The Dreamgirls Band* and as lead singer of *CRISP Hamburg*. Performances have taken her to Prague, England, Valencia and Crete.

Today Luna Heart lives in the Netherlands and remains closely connected to Germany through her music. Her current work combines Pop Rock energy, emotional melodies and personal stories about change, renewed strength and joy of life.

With songs such as *Neues Leben*, *We Are Alive*, *A Little Light*, *Happy Endings* and *Lights of Hope*, Luna Heart shows a clear musical range: emotional, melodic, positive and suitable for radio, press and digital music formats.

Current Focus: Neues Leben

Neues Leben is a modern, positive German Pop song with Schlager Pop and Party Pop elements. The song stands for a new beginning, joy of life and the courage to start a new chapter. It is suitable for radio, web radio, request shows, newcomer charts, party playlists and Apres Ski formats.
