

## Meet Pulverdingen9 – The Musical Chameleon Breaking Boundaries

Founded in the small village of Pulverdingen, named after their home and house number, Pulverdingen9 is a band that defies genre and expectations. With a sound rooted in grunge, alt-rock, and progressive rock, their music is a dynamic journey through themes of freedom, politics, life, and personal experience—all penned by their visionary Seattle frontman, Mark.

Pulverdingen9 embodies the spirit of musical exploration. Their talented international lineup features Julia, a French female background and lead singer who plays flute, keys, and clarinet—adding melodic layers and emotional depth. The rhythm section is powered by Klaus on bass from Germany and Florin on drums from Romania, while their lead guitarist Hannes, a flamenco-trained rock musician, injects fiery passion into every riff.

Pulverdingen9 is a musical chameleon—ever-changing in style and groove, never settling, always surprising. They blend genres seamlessly, creating a sound that's fresh, rebellious, and deeply expressive.
