Leonard	Guitar/Backing Vocals	Harley Benton DNAfx GiT Digital Amp	3
Johannes	Bass	Quad Cortex	2
Nico	Drums	Full Drum Set	1

What we need:

Equipment	Quantity
Vocal Mic	1

Drums:

We ALWAYS bring our own drum set. Our Drummer Nico has 2 Kick Drums - tuned exactly the same - and will always bring 2 Bass Drum Mics for them.

This is the Drum Set:

We **prefer** to use a Vocal Mic from the venue, but we always bring our own Mic in case there's not a good one available.

Intro/Post-Show Song:

Before the show starts, we let our live intro play. It is played through FOH.

After the set is finished, we let "Pantera - Planet Caravan" play.

The Live Intro and Outro Song are attached as an mp3 and flac so you already have them available.

Please get them ready before the concert.

If you have any questions regarding that, please reach out to us!

Stage Plan
