**EMBER SEA** sind Metal-Rock-Hybriden und Wandler zwischen den Genres. Deren Bestes schmieden sie zu ihrem eigenen einzigartigen Stil: Rasiermesserscharfe Riffs, treibende Rhythmik, sphärische Synthies und über allem Sängerin Evas facettenreiche Stimme verschmelzen zu eingängigen Songs, die in Kopf und Herz bleiben. Geschichten von suchenden Abenteurern, wilder Natur, Versuchung und Leidenschaft geben Einblicke in vielschichtige Seelenwelten. Dem Erforschen und Experimentieren stets zugeneigt, hält die Band ihre Songs geradlinig und bodenständig, was eine breite Schar Musikliebender gern mitreisen lässt. Die mitreißenden Live-Shows vollenden ihren Stilmix, ziehen Fans verschiedener Genres in ihren Bann. EMBER SEA bieten auch ein akustisches Live-Set, was ihre Liebe zur Musik und die Vielseitigkeit der Musiker widerspiegelt. Ein Erlebnis auf Bühnen jeder Größe.

**EMBER SEA** walk the line between Metal & Rock, forging the best of those genres into their own unique style. Razor-sharp riffing, driving rhythms, spheric keyboards as well as the multifaceted voice of lead singer Eva blend into catchy songs that will remain in your head and heart. Tales of adventure seeking voyagers, raw nature, temptation and passion give you an insight into manifold soul worlds.
While always keen on exploring and experimenting, the band keeps their songs straight and down-to-earth, making it comfortable to sympathize and go along with them and their music. Their passionate live shows add to their mix of styles when it comes to attract fans of different genres. EMBER SEA also provides an acoustic live set reflecting the band's love for music and the skills of each single band member in an impressing way. It is suitable for a broad audience in any kind of venue.
