

**DROIT
WICH**

The text 'DROIT WICH' is rendered in a bold, black, sans-serif font. A vibrant red waveform, resembling an audio signal, is superimposed horizontally across the middle of the letters. The background is plain white.

**DROIT
WICH**

This version of the text 'DROIT WICH' features the same bold, black, sans-serif font and red waveform overlay as the top image. However, the entire composition is set against a solid black background, creating a high-contrast, inverted effect.
