DARK PLACES

“Dark Places” is a collaboration between melodic death metal band Liviate and gothic metal artist JAÏSA.

The track moves from dreamy acoustic parts and haunting clean vocals to explosive choruses with heavy guitars, harsh screams, and soaring cleans.

It explores the inner fight against depression and is accompanied by a haunting music video that deepens the song’s emotional impact.

This song, perfect for fans of black and melodic death metal, will be the beginning of a collaboration EP.

IN A FOREST SO DARK
I GET LOST SOMETIMES
ON THIS MUDDY GROUND
MY BARE FEET SINKING IN
AND ALL THE BATS FLY HIGH
WITH THEIR BLOOD VESSELS SHINING
THROUGH THEIR LUCENT WINGS

SEE THEM RISE

TO THE MOON

TO THE MOON

IN THIS FIELD OF ROSES

I GET LOST SOMETIMES

CAUSE THE BUTTERFLIES FLY THROUGH

AS IF THEY DIDN T CARE

ABOUT THEIR POISONING

AND THEN THEY’LL PASS SILENTLY

WITH THEIR COLORFUL WINGS

TURNING GREY

TURNING GREY

TELL ME WHERE YOU’RE GOING LADY?

SEARCHING FOR THE DARKEST PLACES

BUT YOU WON’T COME BACK ALIVE!

I’M ALREADY DEAD INSIDE

I WILL GUIDE YOU

OUT OF THIS IF YOU WANT TO

WANT TO SHOW YOU THE LIGHT

DON T GIVE UP YOUR SPARK

PLEASE STOP HURTING YOURSELF, LADY!

THE WORLD IS HURTING ME MUCH MORE

JUST DON’T LOOK IT IS NOT WORTH IT

THEY FORCED MY EYES TO BE WIDE OPEN

I WILL GUIDE YOU

OUT OF THIS IF YOU WANT TO

WANT TO SHOW YOU THE LIGHT

DON T GIVE UP YOUR SPARK

CAN T YOU SEE

CAN T YOU SEE

CAN T YOU SEE

CAN T YOU SEE

CAN T YOU SEE

CAN T YOU SEE

CAN T YOU SEE

AS SOON AS YOU ACCEPT YOUR FATE
YOU WILL FINALLY FIND PEACE (IN THE END)

I WILL GUIDE YOU (GUIDE ME!)

I WANT TO SHOW YOU THE LIGHT
(THE LIGHT)

ABOUT LIVIATE

[DIRECT.ME/LIViate](https://direct.me/livate)

Livate is a death metal band from Regensburg, founded in June 2022. Their music fuses pounding drums, downtuned guitars, and vicious vocals into a brutal sonic experience that incorporates elements of post-black metal and deathcore - without losing the raw essence of death metal.

Despite their short history, Livate has quickly developed a distinctive sound: dark, intense, and uncompromising. Their lyrics confront emotional depths and the darker sides of society - both musically and thematically.
