- Stage & Technical Rider -

Stage Setup. We always bring the green components. Unless agreed otherwise, we expect the red components to be provided in full.
Individual arrangements or backline sharing are no problem - please contact us early in advance!

Detailed Requirements

Name	Plays	Brings	Requires
Patrick	Main Vocals	Mic	1x XLR Input
Christian	Guitar L	Guitar & Kemper Stage	1x XLR Input
	Backing Vocals		1x Mic w/ Cable & Stand
Niklas	Guitar R	Guitar & Kemper Stage	1x XLR Input
Dirk	Bass	Bass & Amp with DI-Out	1x XLR Input
Carsten	Drums	Pedal, Snare, Throne, Cymbals, Hardware	Drum Backline & Mics
		Trigger Module (Kick)	1x XLR Input
	Samples	X32 Rack & Laptop	1x XLR Input

Each musician requires 1x Schuko plug at the respective stage position!

Monitoring

We use our own in-ear monitoring setup (X32 Rack & Wireless Units) without further requirements for the venue. Please mute the stage monitors with the FOH signal applied for eventual backup.

c/o Christian Kupczyk, Walsroder Str. 8, 31535 Helstorf (Neustadt); **0174 866 8999**; aeonyzhar@aol.com

Suggested Input List

1	Kick Trigger	9	Overhead 1
2	Snare Top	10	Overhead 2
3	Snare Bottom (if available)	11	Guitar 1
4	Tom 1	12	Guitar 2
5	Tom 2	13	Bass
6	Tom 3	14	Main Vocals
7	Hi Hat (if available)	15	Backing Vocals
8	Ride (if available)	16	Samples

We usually provide a sound example with this rider so the FOH colleague can get an impression of our basic sound and the relevance of the backing track. Please contact us if the file is missing.

Miscellaneous

Please provide:

- A secure place to store our equipment before and after the gig
- A decent place for warm-up (mandatory!)
- 10 L of drinking water in plastic bottles
- Some snacks & fruits

Thanks a lot in advance,

AEONYZHAR *- Patrick, Christian, Niklas, Dirk & Carsten*
