Notes:
Band will **bring** themselves:
- acoustic guitar
- 2 electric guitars + instrument cables + Pedalboard & Pedals
- 1 Bass guitar + instrument cable
- Full drumkit
- Roland SPD-SX

Band will **need** (if possible):
- 2x microphone + 2x mic stand
- 1 bass amp
- 5x DI-Box
- 2 Wedges (1x Bass, 1x vocals & guitar)

If any of this isn't possible, please contact Lili via email at: lili.mare.music@gmail.com, compromises can be made!

For one Song "One Last dance" the band will leave the stage and the support act Paul B. Richard will join on stage playing acoustic guitar and singing, whilst Lili is also going to be playing acoustic guitar and singing, which is why a second microphone + stand and the 2nd wedge is necessary!
