

ROXTON Catering-Rider & Travelparty

Actuality: 03 / 2026

Contact: Lizzy Schmittlein | +49 (0) 151 61422866 | booking@roxton.band

This rider is an integral part of the performance agreement. Please don't hesitate to contact us if anything is unclear.

We're always happy to party with everyone, but we also need a suitable and comfortable space where we can prepare and relax before going on stage.

It is important for the band (and crew) to have their warm dinner 2-2.5 hours before the show.

Number of people: 7-8 (see travel party)

Catering:

Upon arrival, we'd really appreciate:

- Fresh fruit and vegetables
- A sufficient supply of drinks (see below)
- A selection of sweet and savory snacks

Please provide a hot meal for everyone:

(If no hot meal is provided, a buyout of €20 per person applies.)

- **All vegetarian** (vegan options are very welcome, but not mandatory)
- **1x gluten allergy** (please take this seriously, otherwise we risk „losing“ a crew member before the show!). Please clearly label the gluten-free food so we don't have to ask each time.
- Please don't serve: fish, mushrooms, beans (e.g. chili sin carne), pizza, heavy cheese/cream-based dishes
- **If overnight stay is provided:**
Breakfast the next morning (including coffee)
If not available, a buyout of €15 per person applies.

Unlimited drinks for band & crew:

- Plenty of water (still and sparkling), at least 1.5 liters per person
- Soft drinks such as Spezi, apple spritzer, cola
- Beer (lager and/or pilsner, plus non-alcoholic beer) and white wine
- 1 bottle of (spiced) rum

Stage extras:

- 5 clean towels
- 10 × 0.5L bottles of still water (non-sparkling & not chilled) for the stage – pretty please. Thank you! <3
